HAPPY November 2004

MEMBER NEEDS

Bill Gilbert, our esteemed Past-President, has been getting better. We would ask that you keep him in your thoughts as you would other cherished friends and associates. Our thoughts and prayers are with you Bill.

President's Latest Message

Please bring your ideas for upcoming meetings to share at our monthly meeting on November 8th. We'll discuss them informally. Any board member would be happy to hear from you.

Our chapter has been successful.... and scholarships from our National AEE Group have been awarded to North Carolina students. The formal list of winners (each was awarded \$ 500):

1. Brian E. Hardin
2. Candace Wiggins
3. Niels Andresen
4. Oludolapo Jogbodo

I look forward to seeing you on November 8th,2004.

Pres.	Jack	AJT05@doc.state.nc.us
V President	Darrel	darrel.l.hurlbut@jci.com
Secretary	Eric	eric_soderberg@ncsu.edu
Treas. & Memb. Progr. &	Bill	bgilbert@johnston.k12.nc.us
Scholar Chair	Walt	walterjohnston@mindspring.com
P President	Bill Gilbert	

Our last TARHEEL AEE Program:

An Excellent Tarheel AEE Chapter Program was held on Oct. 4th: Mr. Larry Shirley, Director - North Carolina State Energy Office presented: "Charting a New Course for Energy in North Carolina" Ask any member who attended and you won't believe what you missed. Mr. L. Shirley knows his topic and you should not pass up the chance to hear him speak about his passion.

NOVEMBER Meeting (starts 6:30 pm)

When: Monday, NOV. 8TH, 2004

Where: Blue Ridge Ramada Inn

Who: RTS Water Solutions, INC.

What: "Water Conservation Overview" (title doesn't do the subject 'justice')

Program: (some specifics)

1. What Makes A Good Water Conservation Project?
2. Domestic Water Conservation Measures
3. Typical Non-Domestic Measures
4. Case Study

Some of the details: What is being done nationally; Can you spell "EPACT" (what is it?); Which 13 states have water restrictions NOW; Which state requires waterless urinals in new buildings and remodels; Which projects pay for themselves and how many years to pay back?; How does occupant density figure in to the equation?; What are the target consumptions for each of the various uses?; What are the Codes?; What controls and sensors are being used?

on energy policy, renewable energy development, financial incentives, and promotion, marketing and delivery of energy efficiency, alternative fuel and renewable energy programs.

The MAIN OFFICES OF RTS Water Solutions are in Kansas City, MO and Mr. Troy Knight, President comes to us from there along with the "folks" (including Mr. Chris Deslauriers) from his North Carolina Offices. Mr. Knight's degree is from University of Oklahoma (BSME) and he holds P.E. certifications from eight states. He is a C.E.M. and also a Certified Demand Side Manager. He also has a BSEE and he is a Licensed Mechanical Contractor.

PLEASE HOLD OPEN DECEMBER 6TH, 2004 FOR OUR ANNUAL Christmas Program... We planning on having some surprises, whether you have been to this Program before or it is your first time.

Also, We will attempt to summarize Mr. Larry Shirley's "Charting a New Course for Energy in North Carolina" in our next (December 2004) AEE Newsletter.

Again, all members look forward to seeing you on November 8th, 2004.
